

2025 TOUR
OUT OF EGYPT

I have had the honor of learning the Bible since childhood. In 2015, my wife and I traveled to Israel on a group tour. The trip happened at time in our lives when we were run down emotionally and spiritually. Taking the time to experience where so much of the Bible had taken place was life-changing. The trip helped us better visualize the daily lives of the men and women of the Bible. We paid more attention to the details of the text, especially when it came to geography, weather and culture.

As soon as I came home, our local church asked me to lead a Bible class using the pictures I had taken. I also connected with my brother, who eventually co-founded Appian Media. The company asked Barry Britnell and I to host digital videos of the Bible lands to help Bible students around the world better understand what they were reading.

Since my first tour to Israel I have made multiple production trips to the lands of the Bible. Each one is a blessing and I learn something new, either from interviewing archaeologists, talking with museum docents, visiting the Mount of Olives, hiking up ancient Sardis in Turkey, wandering Wadi Rum in Jordan, spending the night on top of Mt. Sinai, sailing the Sea of Galilee, or making friends with the people who call these lands home.

Would you like to experience this for yourself? I am thrilled to share that in **February of 2025**, I am leading a tour to the incredible country of **Egypt**! We will travel from Cairo to Aswan with all sorts of locations in between. The history and beauty of Egypt will amaze you.

This **11-day** tour is a high-quality tour and is available on a first-come, first-served basis. Please don't let this opportunity pass you by. Feel free to contact me if you have any questions.

JEREMY DEHUT

Jeremy lives outside of Louisville, Kentucky with his wife Anna, and their children. He began traveling when he was 12 years old, saving up his paper-route money and flying to Alaska on his own to visit a childhood friend and watch the northern lights. Jeremy and Anna made their first trip to Israel in 2015 on a group tour led by Barry Britnell. In 2016 Appian Media invited Jeremy to co-host Biblically accurate media to help people in their pursuit of God. Since then, he has made 3 production trips to Israel, as well as Turkey, Egypt, and Jordan. When he's not traveling, Jeremy works as an evangelist, preaching, teaching, and using the Bible to counsel people seeking help in their growth as disciples of Jesus.
